INDIANA UTILITY
REGULATORY COMMISSION
CAUSE NO. 42751

You are hereby notified that on this date the Presiding Officer in this Cause makes the following Entry:

On November 10, 2004, Indiana & Michigan Power Company and the City of Garrett (collectively "Joint Petitioners") filed a Joint Petition to modify their service area boundaries. The Joint Petition references the following exhibits as being attached to the Joint Petition:

- Exhibit "A, Page 2," showing the Seiler property;
- Exhibit "A, Page 1," depicting the proposed modification on U.S.G.S. Facet W-5-1;
- Exhibit "B," consisting of a letter agreement, legal land description and existing and proposed facet map W-5-1; and
- Exhibit "C," reflecting publication of notice of the boundary changes.

Attached to the original copy of the Joint Petition received by the Presiding Officer are only two (2) Exhibits, marked "B" and "C." Attached Exhibit "C" appears to be as described in the Joint Petition. Attached Exhibit "B" is a letter agreement between Joint Petitioners dated October 7, 2004, which contains a legal description for the Seiler property, but does not contain existing and proposed facet map W-5-1. Exhibit "A," Pages 1 and 2, is not attached to the Joint Petition. Joint Petitioners should file amendments to their Joint Petition as necessary to ensure conformity between statements made in the Joint Petition and the exhibits attached thereto.

In addition, the Joint Petition states that, pursuant to I.C. 8-1-2.3-6, notice of the boundary modifications has been published in a newspaper in DeKalb County. The notice used for publication is attached to the Joint Petition as Exhibit "C." Once it is available, Joint Petitioners should file a copy of the newspaper's Proof of Publication of the notice.

IT IS SO ORDERED.
